⊳ HOLIDAY ACT OF KINDNESS TOWARDS BIRDS

The Scandinavian countries have a beautiful tradition of encouraging the kind treatment of birds at Christmas time. They believe that if you spread birdseed outside your doorstep on Christmas morning, thus including the birds in the year feasting that takes place inside your home, you will have good luck in the coming

was stored (called a julkarve), hoping the birds would stay out of the barn where their harvest sheaves of grain from the harvest and hang out a bundle for the birds on Christmas This tradition has practical and symbolic origins. Swedes would put aside the last
